Dear Giselle,

Thank you for your inquiry concerning the JohnsonDiversey Material Safety Data Sheet(s) for Diverforce Rinse Agent MSDS ID #2253 Sof-D MSDS ID #1321 D-Best MSDS ID #1320.

Our MSDS' are updated whenever there is significant change to the formulation or safety information. While the MSDS may have an issue date more than three years old, it is still valid because nothing has changed with regard to its overall safety and hazard assessment since the time of its issuance.

The letter can be incorporated into your files for compliance with WHIMIS regulations. If we can be of further assistance, please call the Customer Technical Support Department at 1-800-558-2332, between the hours of 7:30 AM and 5:00 PM, CT Monday through Friday.

Regards,

Customer Technical Support
